The Colonel Says:
The traveler, who was asked by a clerical-looking fellow passenger—whether or not he drank, may have been justified, before answering, in asking whether the question was an inquiry or an invitation. But my advice to you, sir, is "Let not opportunity slip between your fingers." Take it, whenever such a query is put to you, as a preceding invitation, provided, sir, that there is within convenient reach a supply of

Vote for Flynn for city treasurer and be with the winner.

Figures received from the board of supervising engineers on the equipment of the surface traction lines showed that the Chicago Railway Company has sixty double-truck cars and twenty-eight single-truck cars that are not in service. The Chicago City Railway Company has fifty-seven double-truck and 111 single-truck cars out of use and the Calumet and South Chicago Railway has fourteen double-truck and three single-truck cars. A certain proportion of cars are out of service at all times, either undergoing repairs or kept for emergency purposes, but the committee believes the number is larger than is necessary and it will take steps to see if more cars can be supplied during the rush hours.

If you want to hear real graft scandal wait until the new boxing law is passed.

Anyone who imagines that the Progressive party is dead in local politics will be badly fooled. The Progressive party has come to stay.

Every time you go to the telephone you feel like voting against a man who favors the Phone Trust.

The Telephone Trust owns Chicago.

Judge Edward Osgood Brown's appointment to a seat in the Federal bench would meet with the hearty approval of every Chicagoan.

Judge John R. Caverly is making a splendid record on the Municipal Court bench. He is the right man in the right place.

Vote for Francis D. Connery for City Clerk.

Alderman Jacob A. Hey's admirers in the Twenty-Third Ward are now preparing to put up a whirlwind campaign in his behalf.

Connery is a sure winner for City Clerk.

Alderman John Powers will have his usual cake walk in the Nineteenth Ward, opponents for him being as scarce as ice cream parlors at the North Pole.

Alderman Lewis D. Sitts had no opposition for renomination in the Seventeenth Ward and he should have very little for reelection.

Anson H. Brown's candidacy for Alderman on the Progressive ticket in the Thirty-First Ward is growing stronger every day and victory for him in April looks certain.

Alderman John R. Emerson had no trouble in winning a renomination in the Eighth Ward and victory is predicted for him in April.

James J. Townsend, well known Chicago business man and Democratic leader, is managing the aldermanic campaign of Harry H. Lampert in the Twenty-third ward. Mr. Townsend sees nothing but certain victory in April.

THE AUTOMATIC TELEPHONE.

For a good many years the Chicago public had ample opportunity to observe what telephone monopoly meant in the way of service.

The rates had been raised several times—and threats of another raise were being made. There was talk of abolishing certain forms of residence service. The public was treated with scant courtesy. There were interminable delays in changing old phones and installing new ones.

Then came the automatic telephone, bringing with it the much needed spur of competition.

What happened?

Immediately the utmost efforts to improve the manual service were made.

But it is a cold, hard fact that these efforts have been to a large degree unsuccessful. It is simply a physical impossibility to make manual service come anywhere near the remarkable efficiency of the automatic.

The reason is obvious. The automatic is a higher development of the telephone principle.

It has eliminated the huge cost and great uncertainty of the human operator.

It has made telephoning secret, quick, low in cost.

On the automatic telephone a machine—quick as lightning, absolutely accurate—gets your number for you. There are no hitches, no delays, no wrong numbers.

Automatic telephone service has received a tremendous welcome in Chicago. Automatic service has doubled and doubled again until over 400,000 calls per day are being handled.

And all this in the face of one of the most powerful monopolies the world has ever seen.

For better telephone service, phone for your Automatic today—Commercial Dept., 22-111.
